

# ALL AFRICA RETURNS AFRICAN PRAYER CONVERGENCE

## ABOUT AFRICA RETURNS GLOBAL PRAYER CONVERGENCE

**THE RETURN** is now sweeping across AFRICA! The Lord birthed the vision of **AFRICA RETURNS** within

Dr. Oluwasayo ('Sayo') Ajiboye while at The Return Sept 26, 2020 in Washington DC. The Lord quickly touched people young and old in Chinese house churches, raised groups of seasoned ministers in East Africa, and stirred up Millennials in Nigeria to do marvelous deeds. AFRICA RETURNS was in progress without the strength of man.

This move of the Spirit was further evident in that Dr. Ajiboye carried this burden until the early weeks of October 2020. Leaders of the house churches from China directed a man of God, Pastor Henry Byamukama from Uganda, to meet with Dr. Ajiboye in Dallas. At this meeting, the Spirit of God came down, and the African push began!
