## What is a Prayer Triplet?

A group of 3 Christians committed to praying together for the needs of their community.

As Christian, we have the distinct privilege to pray for the spiritual needs of our community's needs. All prayers are private and confidential and said face-to-face whenever possible.

We are inviting you to join this national team of Prayer Triplets to cover EVERY community in America! As the Word of God says in Ecclesiastes 4:12 *"And though a man might prevail one who is alone, two will withstand him – a three-fold cord is not quickly broken."* Prayer changes things. Imagine a three-fold cord of prayer for your community.

You have been invited because you have a heart for your community.. Please consider registering your Prayer Triplet at [www.tinyurl.com/PTsignups](http://www.tinyurl.com/PTsignups). We will commit to keeping track of all communities that are covered and seek to encourage others to join this initiative.
